

15 Years Of Experiences In Smart House Market

JOHA

Product Catalogue

COMPANY PROFILE

The JOHA Industry is belong toJoha Mei Lau, Hong Kong, which is a high-tech enterprise specilizing in the research, development, production and sales of capsule house and tiny house. JOHA is dedicated to offering a sophisticated and smart micro-hotel solution for hotel, resort, and Airbnb. JOHA develops an innovative, high-design, self-contained cabin that uses prefab structural components to reduce disturbance to the site and minimize environmental impact. JOHA provides travelers with the appeal of “living in the scenery. JOHA’s factory is located inHong Kong. With a 40,000 square meter factory and 200 workers, the company employs an ERP and MES production management execution system, which allows it to produce up to 500 houses per month while reducing lead times to 20-25 days. JOHA offers a full suite of design and development solutions for large-scale projects and is available in both complete and disassembled shipments, with disassembled shipments that will reduce the cost of shipping for high volume purchases.

BRAND INTRODUCTION

Independent research and development

JOHA industry is committed to scientific and technological innovation, has a top design team and manufacturing plant, the use of industry advanced energy saving, building structure technology, invested in the research and development of Apple cabin”products, to create a variety of conditions to meet the living conditions of comfortable hotel products, for people to bring more travel and lifestyle

High efficiency, high quality and cost-effective

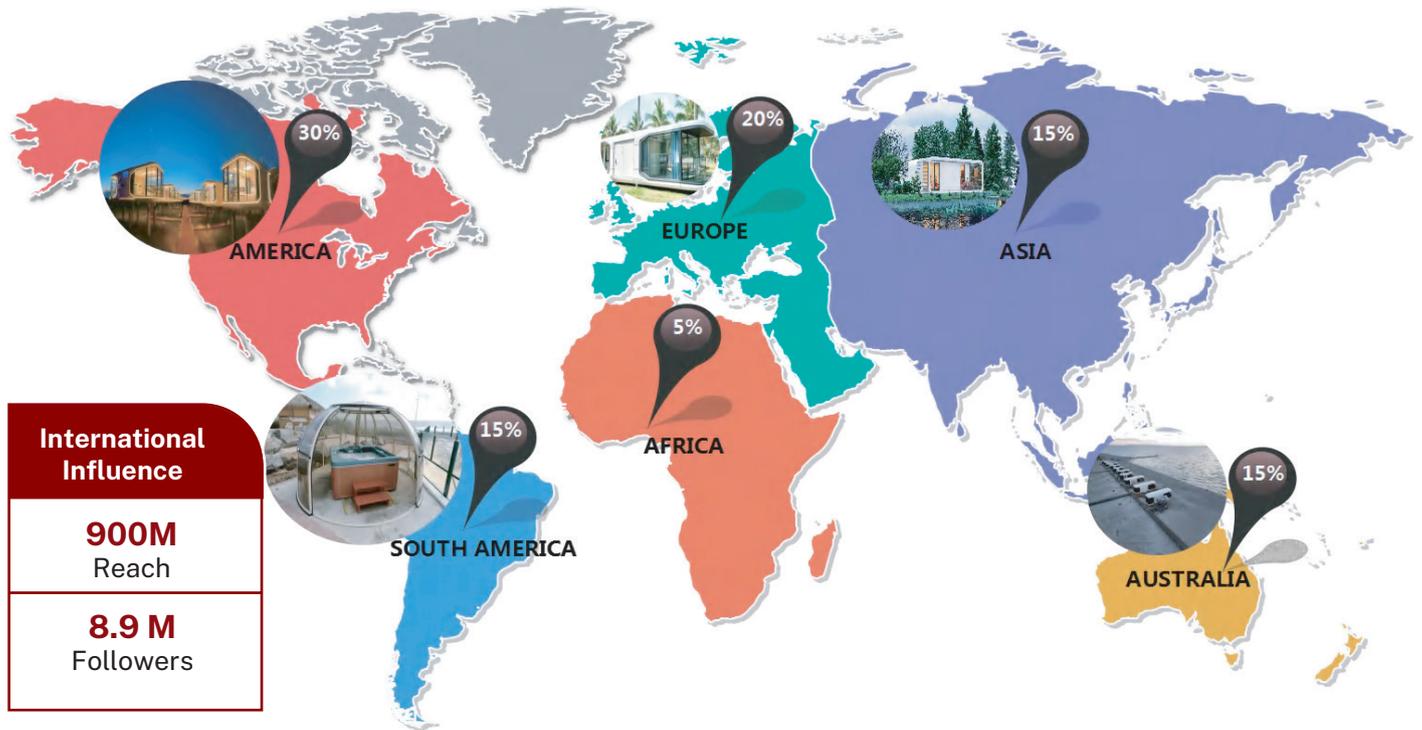

No foundation, applicable to all terrain, no damage to the ecological environment, no building waste, ecological environmental protection. In the factory, 40 days of production, assembly and disassembly, integrated transportation, 2 hours of on-site installation, no need for secondary decoration, shorten the construction cycle, equipped with fully intelligent home appliance control system, panoramic vision, own flow

Product quality and service are guaranteed

The main structure of the product is special steel structure. The design stability of the structure is strong, and the wind resistance is strengthened. The main material is made of high strength composite material and galvanized sheet, which has high safety and strong protection. By professional soft decoration designers to create space design scheme for customers, design team/architect team. According to the actual situation of the project and customer requirements, planning and design, including consulting, overall planning, space design,supporting facilities. Construction drawing, etc.

Rich export experience

We have rich export experience and have exported to many countries including the United States, Australia, Greece, Indonesia, Philippines, South Korea, Saudi Arabia, etc. Reaching 80 countries, Our Factory Area 40,000 square meters Annual Production Capacity 6000 units, Production Cycle: 25 days.

PARAMETER DETAILS

Project	Project Technical Parameter	
Main structure system	Type	HT-TC-ø4.5(Starry Castle)
	Length of side	4.5m
	Hem width	4.5m
	Top height	2.75m
	Interior area	15.9 m ²
	Circular lobe number	10 pieces
	Frame material	6063-T5 Aluminum profile (three colors optional)
	Material of wall	PC board 3.0mm thickness
	Gate system	Rotary sliding door
	Wind load	100 km /h(0.5KN/ m ²)
Interior Floor (Optional)	Height	100mm
	Materials	Aluminum circle beam, aluminum keel, 18mm solid wood Laminated, PVC surface locking floor
Intelligent lighting system in space	Roof	LED main light source (remote control adjustable) standard
	Bottom	LED auxiliary light source (remote control adjustable) standard
Package Weight	Package size (mm)	Wooden box size (mm)-3250×1830×1390
	Volume	8.3m ³
	Theoretical weight	600kg / suit (excluding floor base)
Optional accessories	<ul style="list-style-type: none"> • Indoor floor • Curtain • Dimmer skylight • Electric lifting skylight • Fresh air ventilator • Outdoor LED ambient light • Air to air conditioning • Electric intelligent moving door • Waterproof outdoor smart lock • Aluminum base 	
Usage Scenarios	Various campsites in scenic spots ,Garden View, Spa Resort, Water Park Lounge, Rest Leisure Travel Holiday, Internet celebrity Home stay, Specialty Restaurant, Villa Sun Room, Gym, Chess tea room, etc	

Comment

Product color: Tiffany Blue, metal sand gray, Hermes Orange.
